# WATER & MOUNTAIN PATAGONIA CAMP

7-day experience based in San Martin de los Andes  
DECEMBER 2024

# Hi!

## It is great meeting you here

I am Pablo Völker, a lifelong sailor with a passion for kiting, foiling, winging, and sailing in all sorts of boats. My journey has evolved from competitive sailing to discovering the beauty in nature and enjoying every sports adventure. I have also grown to love mountain sports, such as skiing, trekking, and mountain biking.

Over the past 5 years, I've embarked on numerous trips around the world where the goal was to discover new places and enjoy while practicing the sports that I like the most. Some of the very best spots happened to be close from where I was born, in the Patagonia.

Now, I invite you to join me on a 7-day getaway to San Martín de los Andes where you will get a personalized exclusive adventure along lakes, rivers and mountains where we'll indulge in kiting, winging, kayaking, trekking and mountain bike descents.
